

Wayfound Mental Health Group Privacy and Confidentiality BOS Online Auto Enrollment

To auto enroll an organization in BOS Online, Wayfound will require a staff list with the following information:

- First Name
- Last Name
- Email Address

The staff list will be used only for the purpose of enrolling participants into the BOS Online educational course.

The staff list will be kept strictly confidential and not shared outside of Wayfound Mental Health Group.

Each participant will receive a private account within the BOS Online website.

Each participant will receive a welcome email from the BOS Online website with full instructions for accessing their account.

Each account within the BOS Online website will be subject to the BOS Online website privacy policy as outlined at the following link:
